WIDEST RANGE IN SOUTHERN AFRICA

because we are reliable,
you are reliable

HOW DO I GET A QUOTE?

WE CAN MATCH EXISTING DOOR PATTERNS

SIMPLY FOLLOW THESE STEPS:

1.

Choose the door pattern you like

2.

Choose the colour/wood effect you like

3.

Measure your doors and draw fronts

4.

Measure your exposed panels if required

5. Send us the cutlist in an email that includes your sizes and we will quote you on a new set of doors which is ready to fit.

OR

Download our order form from our website (downloads section), fill in and send back to us with your complete cutting list, pattern and required colour. Home-owners usually get this from a carpenter or fitter.

Sign up and login for free for InstaQuote on our website www.sawrap.co.za Following approval, you will receive access, to populate your own quotes online. 24/7.

OR

SPECIALITY ITEMS THAT MAKE YOU LOOK GOOD AND WIN DEALS:

- Large variety of colours and patterns for wrapped, raw doors and panels
- Exposed end panels to match doors
- Grooving for roller shutter cabinet panels
- Lattices and a huge variety of cottage cut-out style doors
- Engraving on doors chosen from our wide range of designs for that special cabinet
- Wrapped finishing strips (quarter rounds and cove strips)
- Valence and trim panels
- Cornices & lightscreens
- Farm-style accessories like grooved pillars, rosette filler and grooved side panels

Matching Wine Racks

- Wine rack fronts and inners to match door designs
- Wine rack slotted shelves for ease of assembly, strength and attractiveness
- Able to build large complex wine racks

CNC Machining of Doors

- CNC vented doors
- CNC router cutting of almost anything you can imagine
- CNC drilling, grooving and cutting of side panels for shutter/garage door cabinets
- Pattern matching

Large Format Panels (up to 2700mm)

12 YEARS IN BUSINESS AND GOING STRONG

SA Wrap serves these markets:

Fitters, carpenters and kitchen manufacturers | Informal/one man shows | Developers of complexes | Handyman and insurance | Resellers and cut & edge shops | Shopfitting | Parts for furniture manufacturing | DIY market | New units | Refacing or remodelling | Caravan & motorhome replacement doors and panels.

WHAT MAKES CARPENTERS AND FITTERS UNHAPPY?

WASTING TIME

Wasting time by waiting for quotes from suppliers

SUPPLY ISSUES

Short Supply / Wrong Supply / Damaged Goods

RE-DOING QUOTES

Re-doing quotes for undecided customers in multiple colours/ patterns/options

MANUALLY ADDING MARK-UP

Manually adding mark-up to suppliers' quotes

QUOTING ERRORS

Quoting errors, typing errors on measurement or quantity

LEAD TIMES

Inaccurate and Long Lead Times

CHANGES AND REPLACEMENTS

Long turn-around times on changes and replacements

SMALL ORDERS

Small orders not being treated with the same urgency as large orders

WE HAVE THE SOLUTION – USE InstaQuote TO:

1. Beat your competition, generate immediate quotes 24/7. Don't be limited by supplier office hours – be the benchmark - you do your quotes when it suits you
2. Save Money—InstaQuotes are better priced than our manual quotes
3. Eliminate under-quoting and eliminate losses—work on a 100% accurate and up to date pricelist
4. Save valuable time, install faster by shortening admin processes and lead times dramatically! No more waiting for busy reps to attend to your quote before you can order.
5. Quote your customer on the spot with the customizable, built in mark-up feature, developed with designers, fitters and resellers in mind.
6. Save and edit your quotes, place orders at the push of a button!
7. Utilize the unique InstaQuote “Copy and Paste” feature, no need to type individual door sizes.
